

FARECOGAZ

Association of European manufacturers of Gas Meters,
Gas Pressure Regulators and associated Safety Devices and Stations

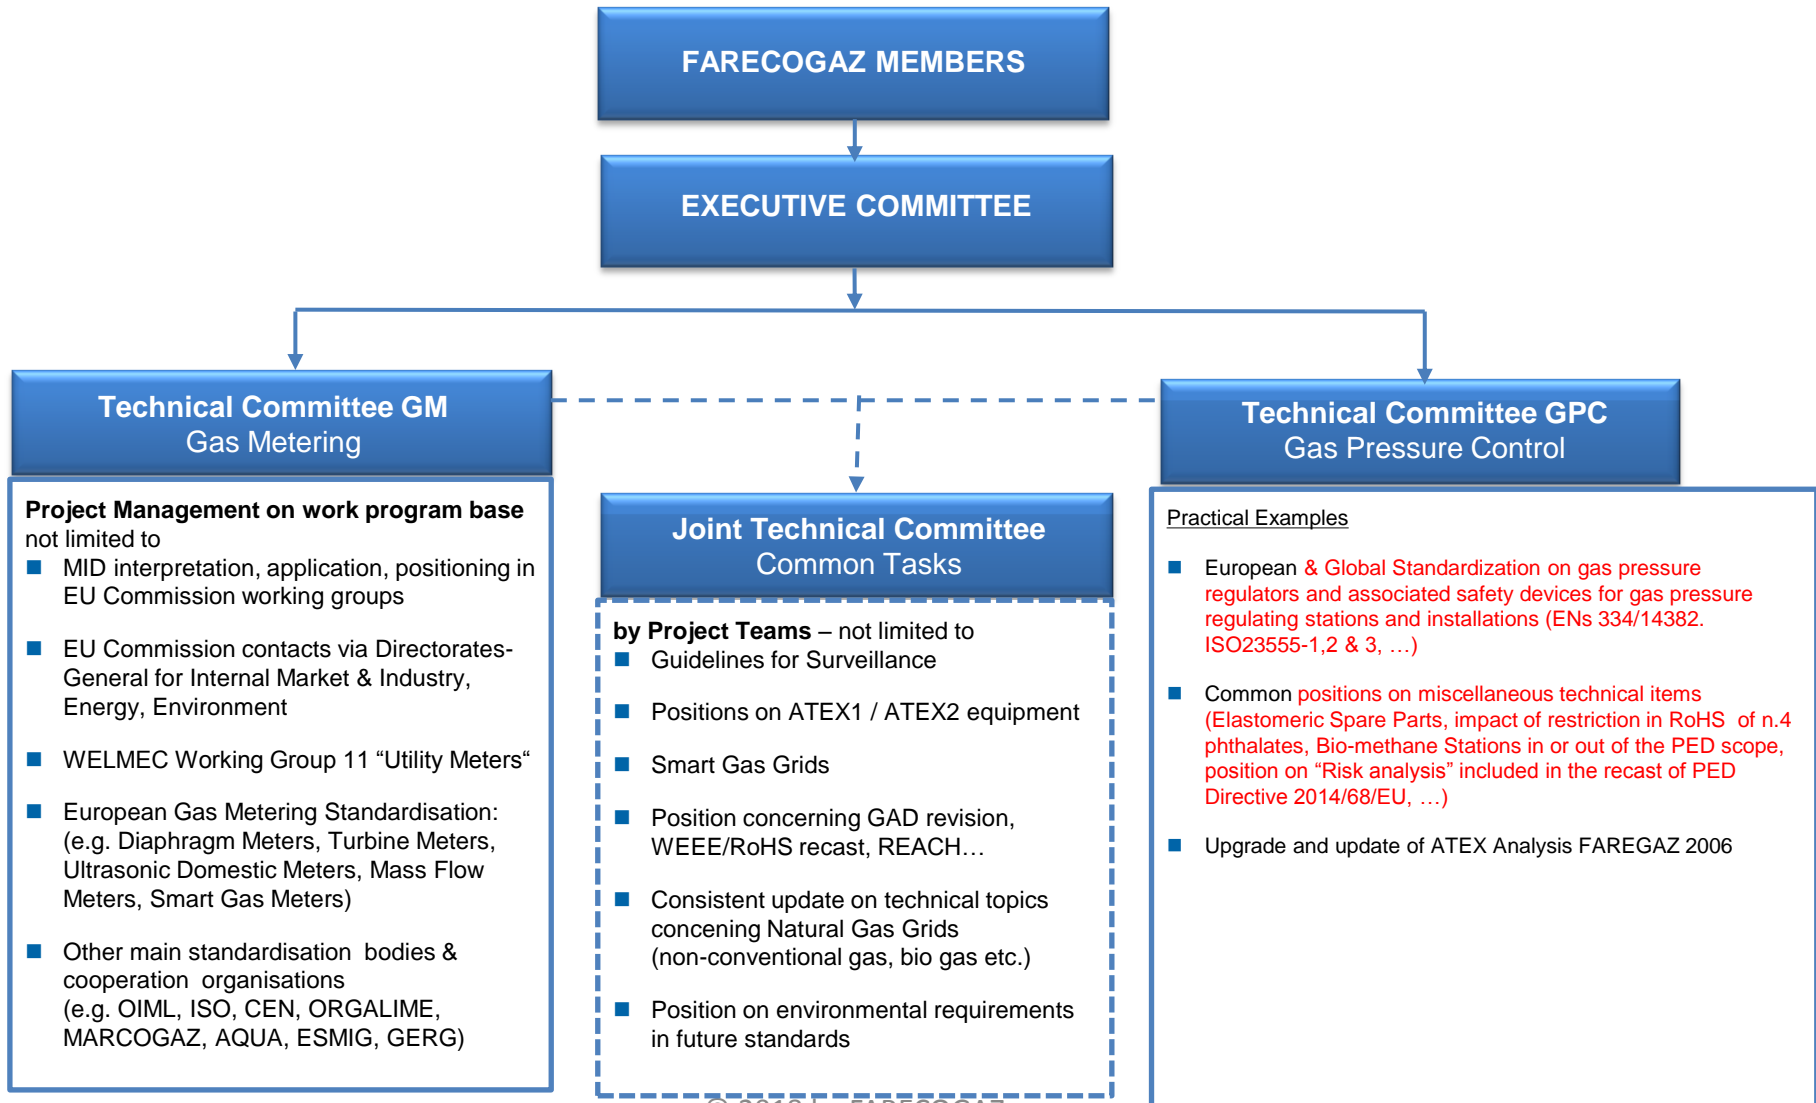

- **Mission**
- **Organization**
- **Officers**

FARECOGAZ Mission

- Representation towards EU authorities, relevant organizations (e.g. Marcogaz, ESMIG, ORGALIME), standardization bodies and other stakeholders
- Cooperation with and development of European working groups on relevant standardization issues
- Participation in relevant European activities: conferences, workshops, technical committees, working groups, coordination groups
- Improvement of internal and external communication related to the scope of the association
- Collection of relevant statistical data about the market development (market survey)
- Support of the technical and economic progress by evaluation of new scientific research methods
- Monitoring of either the drafts of new European technical regulations and the new proposals for including in the national regulations of the EU member states of new technical regulations, when in both cases, the technical regulations concern gas equipment

Organisation Committees

FARECOGAZ MEMBERS

EXECUTIVE COMMITTEE

President: Francesco Sansone

Vice President: Carsten Lorenz

Technical Committee I (TC-I)

Gas Metering (Mr. O. Pfaff)

Technical Committee II (TC-II)

Gas Pressure Control (Mr. Borghesani)

Ortwin Pfaff

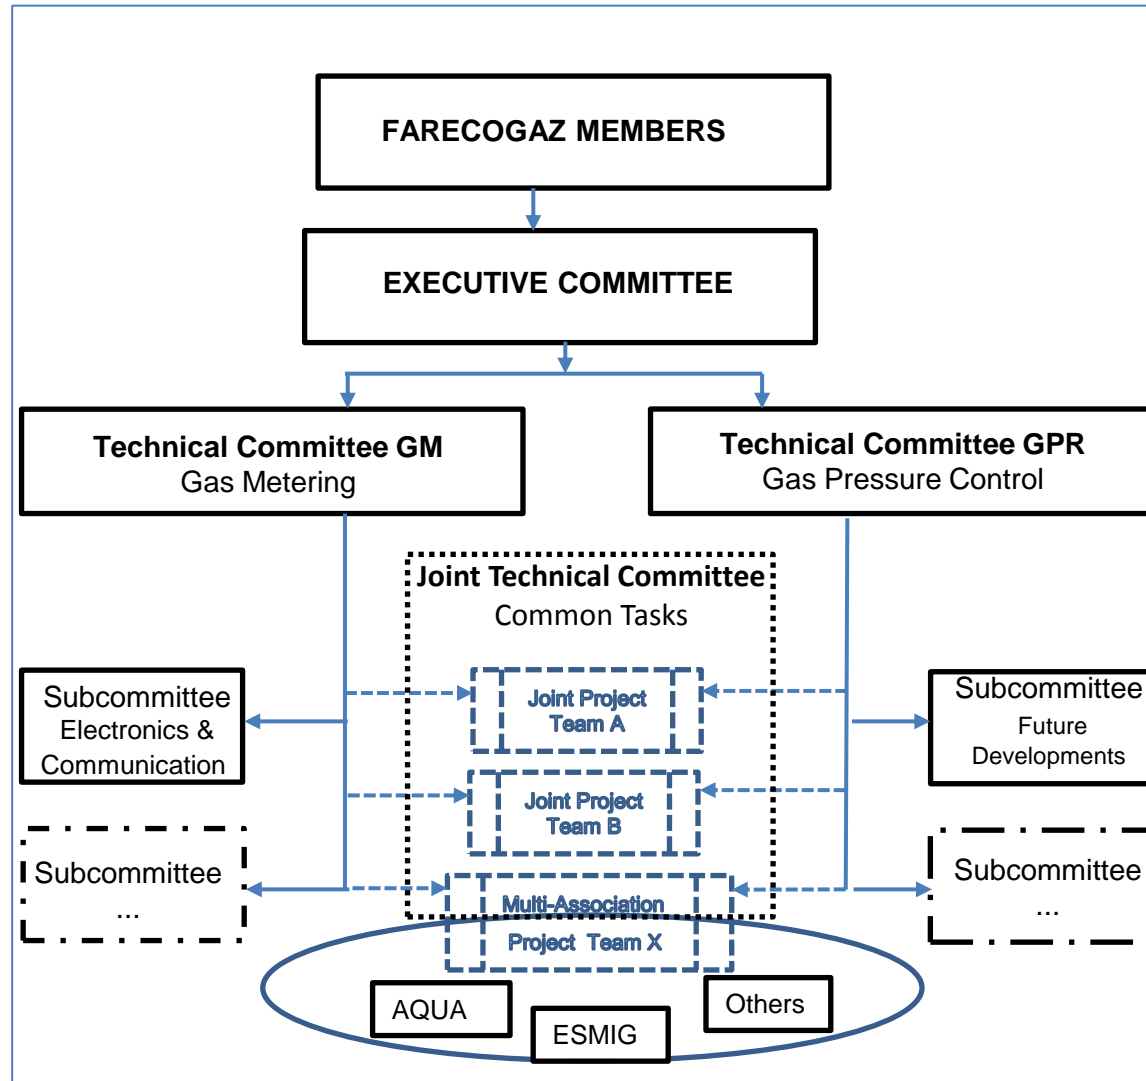

**Subcommittee
Electronics &
Communication
(SELCO)**

N.N.

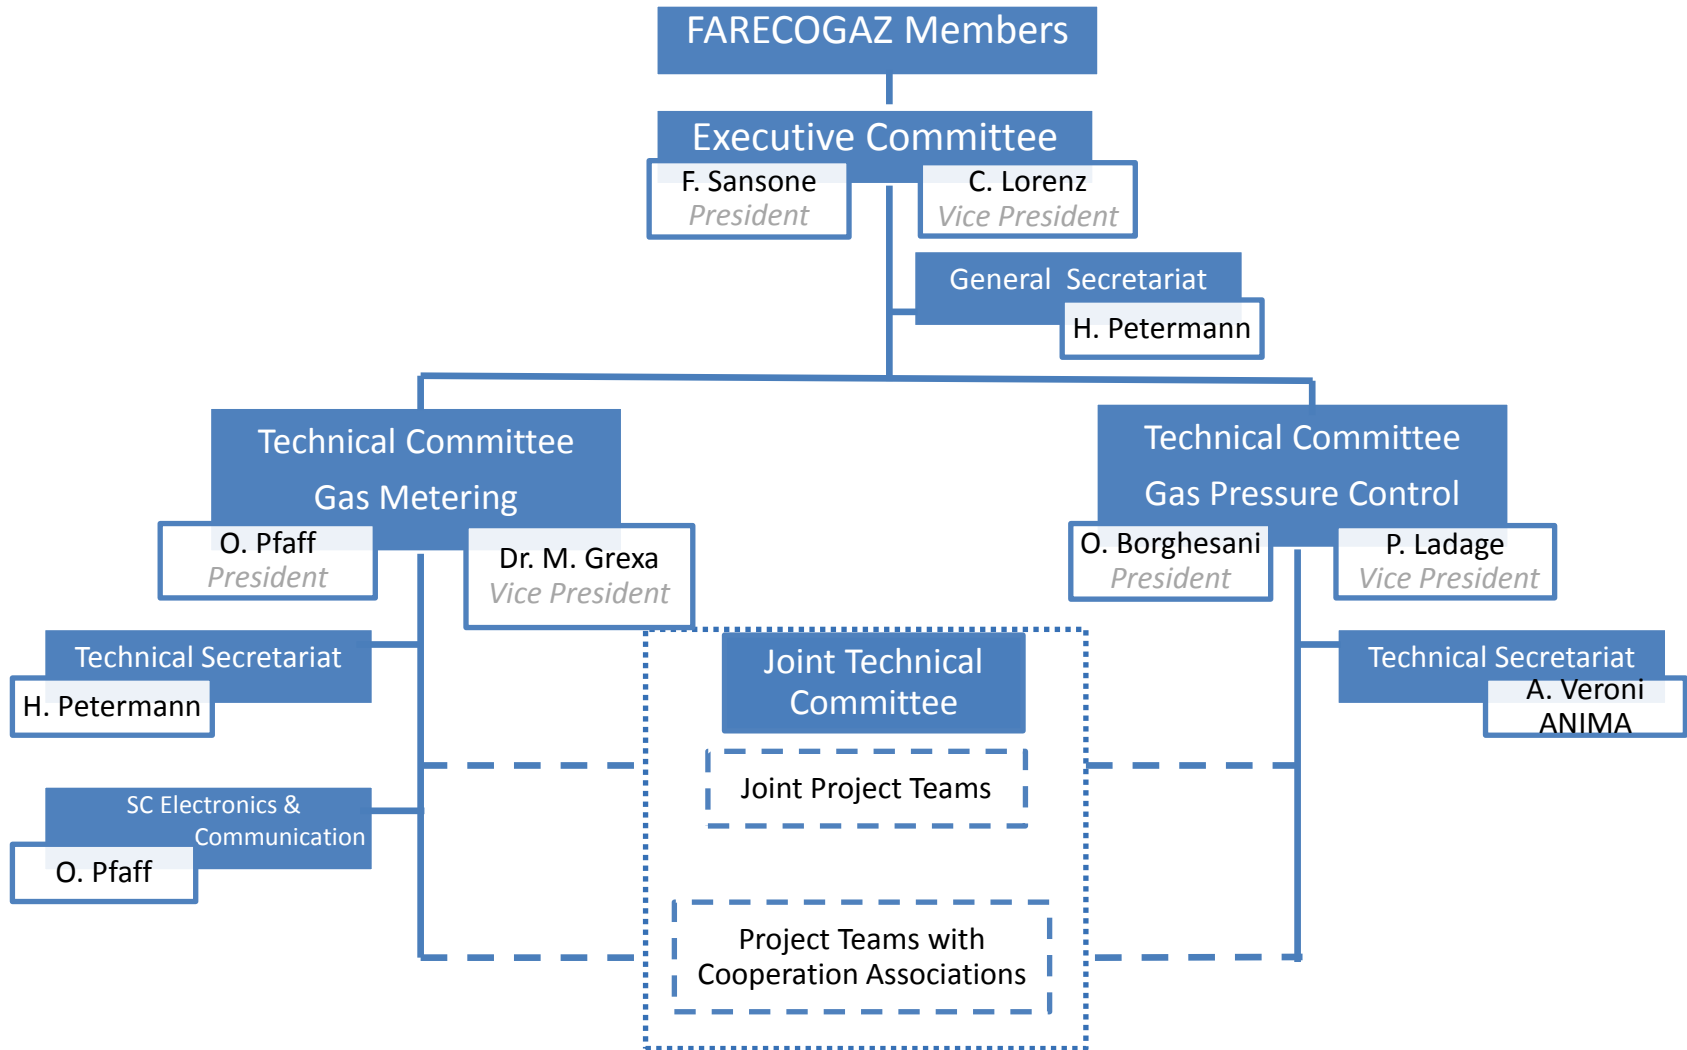

Joint TC

Joint Project Teams

Project-based Interaction
